The Search for Truth

There is a search going on in this world for truth. Many look in various places and ways to fulfill this longing for reality; but truth is a person. Jesus said I am the truth, the way and the life. The problem so many people have in their search is like those who in scripture proclaimed, "Isn't this Joseph and Mary's son"? They could not see Jesus as the Son of God for looking at Him through natural eyes. So the masses can not find Truth, Jesus Christ, because they try to find Him in natural ways. The Holy Scriptures declare

no man can see Jesus and His Kingdom except they be born again. It is the pure in heart that see God. Jesus was God manifested (revealed, made visible) in the flesh (in a human body). There is a way that seems right to man but the end thereof is death. Our search for Truth can only be realized through Jesus Christ. Jesus is still the answer, He always was and He always will be!! There are not many roads or paths leading to Truth. There is only one Way and again Jesus is that way!! All religious roads and paths do not lead to the same

place. There are those who seduce and entice souls to surrender to this thought, only to be deceived. We may not all agree on various things and concepts but when it comes to Truth and reality Jesus is the one and only revelation of the living God!

So stand up for Jesus. Share the Good News! Tell everybody Jesus saves --- He still does. Pray and fast for the Kingdom of God to be established here on earth as it is in heaven. Seek the Almighty with all your heart. Go forth to preach, teach, and baptize in the name of Jesus with confidence because He is the Truth!!

Thy Word ...

The Word of God is such a valuable and precious treasure passed on to us through the years to teach us God's ways and to know God in a personal relationship. Where would we be without His Word? It's a fearful thought, isn't it?

Though it is so valuable, few, even Christians, fail to turn to it for advice and counsel. Every conceivable problem mankind has is covered in the pages of God's guide book. However, you

must be familiar with it on a daily basis to comprehend its magnitude, attitude, and aptitude. As you fall in love with the giver of the treasures within, you grow in wisdom, knowledge and understanding. Along with life's experiences, prayer and walking with Jesus you become a skillful minister, mentor, teacher, or whatever the circumstances call upon you for. You are equipped to go forward in your calling to advance the Kingdom of

God!
One of the most precise and helpful counsel books is the Book of Proverbs.

It has been said on several occasions, "Proverbs alone could keep you out of trouble and bless your life with peace, love and goodness."

Why do so few people read the Proverbs?

Maybe they struggle with the language it is written in.

Be encouraged, there are translations and paraphrases such as "The Message" that will open your understanding. Read and enjoy!!

Kingdom Praying

Prayer is powerful! Prayer combined with fasting is even more powerful!!

Let us open our hearts before God to hear what the Spirit is saying to the Church in this hour. Bended knees and contrite

hearts bless the Lord. How about it friend? Do you have mountains to be removed from your family? Your job? Your life? Call upon Him while He is near and He will hear you. Show the Lord how serious

you are about the changes that are needful in your situation. Push away from the table and pray until the answer is yours! Don't delay! Heaven is counting on you to bring heaven to earth!!

Faith in Action

“Is any sick among you?
Let him call for the elders
of the church; and let them
pray ...” James 5:14

“Casting all your care upon
Him; for He careth for you.”
1Peter 5:7

It is wonderful to know in an emergency we have a reliable source of help to turn to. One never knows what the next moment holds. So it was for a Sister in our church. On Wednesday night Bible Study she came with a heavy heart having just heard her young teenage niece had taken an overdose to end her life. She had taken over 500 pills so we were told. She was unconscious; the Doctors did not give much hope.

However, we cast this care upon the Lord and rose up in authority over this spirit of death calling her to life and the fulfilling of her purpose in Christ Jesus! We kept speaking life and life-giving decrees on her behalf. All of a sudden her Aunt opened her eyes and said it's alright! It's going to be alright!

The young lady did wake up and to the doctors surprise she has no side effects and has returned to school. She is doing well! To God be the Glory for the things He has done!

Take it to Heart

***“Let’s not miss
the visitation of
God because we
are so caught up
in all that’s about
“me” and what “I”
think. It’s high
time the church
acts like the
church, submitting
to those God has
chosen to lead us
and just let God
be God!”***

On Sunday night, Pastor Mutch preached a tremendous message from Luke 19:29-44 concerning us being aware of our time of visitation. We are living in the last of the last days, yet men and women live as though their eternal destiny is a long way off.

What about you, Brothers and Sisters? We all need to wake up to the hour we are presently living in. Deep darkness covers the earth because of the sinfulness of mankind. We, the church, are busy wounding one another and killing one another while the world and our families go to Hell. Jesus came to give life, that life is to be shared through you and me as we let our lights so shine so that men would see our “GOOD WORKS” and glorify our Father which is in heaven. Do men see “Good Works” in your life? Or are you busy devouring someone who is trying hard to finish the work left for us to do? Let’s not miss the visitation of God because we are so caught up in all that’s about “me” and what “I” think. It’s high time the church acts like the church, submitting to those God has chosen to lead us and just let God be God! How do we think we are going to win the lost and help them to grow if we are exemplifying discord and division among us! People are precious! Jesus could care less for all the things we contend for. We are called to contend for the FAITH! The TRUTH!

"In Acts 3:1-16 the story is told of Peter and John going to the temple to pray as was their custom. At the Gate Beautiful sat a man who was lame from his birth. Everyday someone brought him to the gate to beg for a living. On this particular day the lame man put out his hand for alms expecting to receive money, but Peter and John told him we have no silver or gold, but such as we have we give to you. In the name of Jesus, rise up and walk.

We have no money but we'll give what we've got; we'll give you Jesus!! Praise God! That's exactly what this world needs. How about it my Brothers and Sisters? It is not money this world needs so don't be disturbed because you don't have any to give. What this world needs now is Jesus! Won't you rise up, go forward and give them Jesus. He is the Peace that passes all understanding and He is the Perfect love that casts out all fear.
